## Vehicle Information & Description

The description of the vehicles and attached equipment you include below and the information regarding drivers, tickets, claims and previous history is very important and should be completed in full. This information will allow us to formulate an insurance quotation which will reflect your actual exposure and will give the best possible coverage for the price you pay. Should you not have sufficient space to give us your complete information please attached extra sheets or photo copy your present policy and return it with this information package by mail or fax.

Auto No.	Model Year	Trade Name (Make/Model/Description)	Vehicle Type	V.I.N. / Serial No.	Description of Permanently Attached Equipment	Declared Value* (See Below)
1						
2						
3						
4						
5						
6						
7						
8						
9						
10						
Example	1998 Or 2001	International Navistar or Ford 9000 or GMC 1500 or Ford F250	Cab & Chassis or Flat Deck or Pickup	1ABC23DEFG456H789	Ingersol Rand Drill Rig or Water Tank, & Welder, or Pump Puller	Give Value of what vehicle is worth to you

**\* Declared Value:** Is the value you put on your commercial vehicle due to it's special use and it's well kept condition. This value will be the value used in determining what would be paid in the event of a loss and not the normal depreciated book value, as is generally the case. (This is a unique feature to the Canadian Well Drillers Insurance Program)

### Automobile Claims & Accident History (Last 6 Years)

Date of Accident, Claim or Loss	Complete Description of Accident, Claim or Loss	Amount of Payment

### Ticket and Conviction History (Last 3 Years)

Driver Name	Description of Ticket or Infraction	Date of Ticket
